### PE Kit

We seem to be having children coming to school without their PE kits. Could we please remind parents and carers that PE kit should be brought in to school on Mondays and taken home on Fridays for washing?

### Parking

We are still having complaints from local residents about parking on pavements and grass verges. Please make sure you park with consideration for local residents and the safety of children.

### School Gates and Parking

May we remind parents that they should not park in front of the school gates blocking the entrance. Parents are also reminded that they should not be parking inside the gates or using the entrances to turn their cars around as this creates a health and safety hazard for children and visitors.

**Parking or waiting on the yellow zig-zags for any reason is  
ILLEGAL**

The police have been informed and will be coming to do spot checks.
