## SATs

**Reminder: Y6 will be taking their SATs W/C 14th May. Please ensure that they have a good night's sleep the day before and either have a good breakfast at home or come into school at 8am for a free breakfast. The Y6 pupils need to be at school by 8.30am SATs week. Children in Y2 will be taking their assessment tests over the next few weeks.**

## Start of the day

**Could we please remind parents and carers that their children should enter the class on their own (except Foundation Stage). Adults going into classes disrupt the lessons and children should be learning to be independent. If they need help putting their coat or bags away school staff are able to support them with this task.**

**We are also asking that parents and carers do not remain in the corridors once their child has gone into class. The gates in the playground remain open until 8.55am so please exit through that gate. Children start work as soon as they come in to class with reflection on their previous learning.**

**Any child who arrives late to school should enter through the main door, report to the office to ensure they are marked as present on the register and order a school dinner if required. Again, parents and carers should not take them to class just leave them at the office.**

**Thank you for your co-operation in this matter.**

## Uniform
