

Hello Everyone

So the third week of closure comes to an end. We hope you are keeping well.

Here are a few pieces of information to support our children and parents.

Home Learning

Thank you to all of you who have signed up to the See Saw learning platform. I know many of you are enjoying the work uploaded by your teachers.

From 14th April this will continue to be the place to find out about home learning.

Please make sure you are signed up.

You will need a QR code to access your teacher's lessons.

If you do not have a QR code yet, please contact school next week

We are working on a timetable which may help guide you through the work set.

We also have quite a few Paper based activities which you may not have taken home if your child was absent on the last few days of school being open. You can collect these from the office if you have not already done so

Here are some links to interesting websites for you to explore
The first is really good for learning phonic sounds. It's the same programme we use in school. Full of good advice.
It looks long but just copy and paste it.

FSM Vouchers

From next week we will hopefully be changing to the Government Free School Meals voucher scheme. So while there may be a difference in the actual voucher the process should be the same.

Hopefully this change should be easy

Thanks again for your support.

Government Guidance

Thank you for your continued support of school through following the Government guidelines. Please remember that the main aim is to reduce the number of children in school where possible and to limit the spread of the C-19 virus.

"If at all possible children should be educated at home, including the children of key workers" and thus supporting the NHS and other key workers.

Can I also mention if any of you are finding the financial situation difficult we are able to refer to the St Saviours Food Bank

That's it for now.

Have a Great Easter

Thanks again for your support.

Take Care and Keep Safe.
