Thank you for your continued support of school through following the Government guidelines. Please remember that the main aim is to reduce the number of children in school where possible and to limit the spread of the C-19 virus.

"If at all possible children should be educated at home, including the children of key workers" and thus supporting the NHS and other key workers.

Those families entitled to free school meals should now be in receipt of your FSM vouchers as advised. Let us know if you are having any issues with them.

We will also keep you informed of any further developments which will include a change to Government scheme after Easter.

Can I also mention if any of you are finding the financial situation difficult we are able to refer to the St Saviours Food bank
