

Year 1 - Homework Menu

Summer 1 2022

Each week you can pick a starter, a main or a dessert from the homework menu. But remember if you are really hungry for homework you can always do more! Return your homework by the Monday of the following week, for example, week 1 homework needs to be returned by Monday 25th April. Or you can upload photos to your child's Seesaw journal.

Week	Starter	Main	Dessert
1 18.4.22	Maths On Seesaw I have added the link to the online robot addition game.	Geography Recall the seven continents. Research which continent is the smallest and which is the largest? Write down some facts and/or draw some pictures.	Penguin Design Competition We have been chosen to design and paint a new penguin for Ice Sheffield. Please complete the design sheet attached and the ten facts and return to school.
2 25.4.22	.PE On Seesaw view the activity 'cross the swap.' Take a photo of your child taking part to add to their Seesaw journal.	Science Draw a detailed picture of a plant and include the roots. Label the different parts of the plant and write a sentence about what plants need to grow.	Maths Practise writing your numbers up to fifty. You can write them in numbers, words or both. You could create your own fifty grid.
3 2.5.22	Handwriting On Seesaw I have added some handwriting practise sheets.	Art We have been looking at the painting 'The Graham Children' by William Hogarth. Choose a child to sketch using a pencil.	Jigsaw – Relationships Draw a picture of your family and add name labels to your different family members.
4 9.5.22	Maths Continue to practise addition and subtraction within 20. Draw your own tens frames or part whole models to represent your calculations.	Geography Create a poster to tell people about the continent Antarctica.	Literacy Tree On Seesaw I have added a link to the story Lost and Found by Oliver Jeffers. Listen to the story and then write a book review.
5 16.5.22	.PE On Seesaw view the activity 'magic carpet.' Take a photo of your child taking part to add to their Seesaw journal.	Science We have been learning about evergreen and deciduous trees. Draw a deciduous tree during each season. Write a sentence to compare the different types of trees.	Art We have been looking at 'Children's games' by Pieter Bruegel. Draw or paint a picture of children today playing a game or with a modern toy.
6 23.5.22	Maths Practise some addition and subtraction within 20. You could try writing your own words problems.	Geography Seesaw activity – label the seven continents.	Handwriting On Seesaw I have added some handwriting practise sheets.

1. Go to <https://app.seesaw.me> on a computer. Or install the Seesaw Class App on an iOS or Android device.

2. Choose "I'm a Student".

3. Scan this Classroom Code using Seesaw's built-in QR code scanner.

Penguin Design Sheet

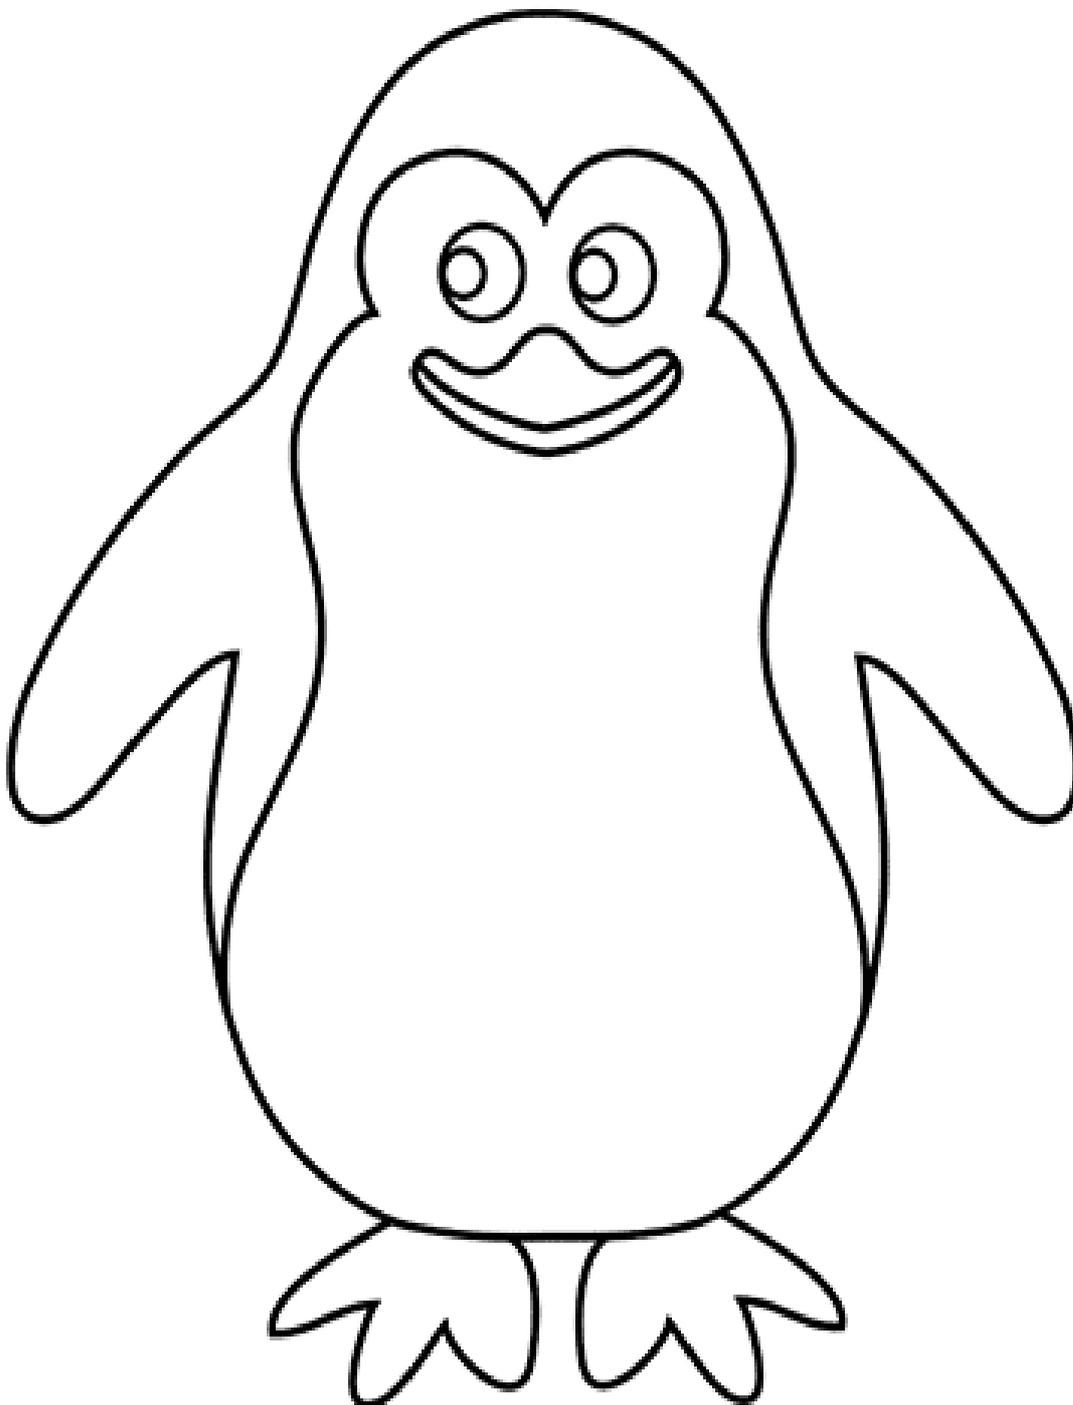

Here at Sheffield City Trust, we would like to invite your school to help us with a project regarding our penguins at ice Sheffield.

Over the past few years, our penguins have become a little tired and worn out due to the 1000's of local children they have helped learn to skate at our venue.

Therefore, we have come up with an initiative for 50 Sheffield schools to have the opportunity to name, design and paint a penguin. This will then be brought back to ice Sheffield to help even more local children learn to skate.

Your school will receive a penguin (painted white beforehand) that they can paint however they would like. Alongside this, we would ask for 10 facts about the penguin which would need answering by the children themselves and sent into us. Each penguin will then have a back story created which will be accessible to read by scanning a QR code placed on it. **PLEASE RETURN YOUR DESIGN AND FACTS BY MONDAY 28TH APRIL.**
