### **Sheffield City Council Admission Arrangements 2022-2023**

The School Admission Regulations 2012 require that all admission authorities must determine their admission arrangements that will apply for admission applications the following school year.

We are responsible for determining admission arrangements for all our community and voluntary controlled schools. We are responsible for admission arrangements at schools that are their own admission authority such as Academies, Voluntary Aided, Trust and Foundation schools.

The Admission Arrangements for Community and Voluntary Controlled Schools for 2022/23 were determined on 24 February 2021.

Other Schools and Academies must also determine their own Admission Arrangements.
